Scholarship Opportunities

Pioneers Healthcare Foundation and Pioneers Medical Center are excited to announce the healthcare scholarships available in time for the Fall 2012 Semester. There are five scholarship categories available to continuing college students, area residents, and/or 2013 graduating high school seniors pursuing an education in healthcare. The scholarships are sponsored by Colorado Northwestern Community College, Westlands, Aven Family, the Bowman, Meeker General Mercantile Employees of Pioneers Medical Center, and Pioneers Medical Center's Grow Your Own Program. The funding for these scholarships was made possible from local donations and business sponsorships to the *2013 Spring Healthcare Gala*.

Applicants may be required to participate in an on-site, or phone interview as part of the application process. During the interview they will be expected to demonstrate their commitment to their education, and their reasons for seeking an education in healthcare.
